Campaign Summary

Goal	\$ 625,000
Pledges	\$ 582,007
Remaining	\$ 42,993

93% ...

The campaign to conserve the Dane forest parcel has made huge strides. Donors have contributed over \$40,000 during this past week! The campaign has now reached the 93% level, with \$42,993 remaining. We are grateful to all of you for your commitment to preserving this parcel. We're in the home stretch, please continue to encourage your neighbors and friends to participate.

In addition to the broad support for purchasing the forest parcel, over \$70,000 has been raised to purchase a conservation easement to protect the fields along Center Harbor Neck Road owned by Paul and Jan Maggi. That's almost half of the total of \$150,000 to complete that conservation effort. Onward!
