Prior to taking a break next week in celebration of Thanksgiving, the campaign team extends our gratitude to all the folks listed on this page for their contribution to the campaign. Together, we're making solid progress as we enter into the final month of the campaign.

The solicitation letters have been mailed and authors of letters are doing follow-ups. Earlier today, large banners were being hung on the property and the Center Harbor Town Common, and posters were being distributed in various places in and about town. Meanwhile, the number of reservations for the Fund-Raising event on December 1, 6 PM, at the North End restaurant in Moultonborough is growing, and we hope you will be able to join us for a fun evening.

So, as you gather around the table with friends and family this Thanksgiving, please invite them to participate in this important campaign. Chances are, they love the outdoors as much as you and will be glad to learn more about this extraordinary project. And please extend our wishes to all for a Happy Thanksgiving!
